AMENDMENT

July 25, 2006

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

The Office Action of July 5, 2006 has been carefully considered.

Applicant has been required to elect between Group I, Claims 1-20 drawn to a Fuel Cell Apparatus or Group II, Claims 21-29 drawn to a motor vehicle.

Applicant herewith elects for further prosecution Group I, Claims 1-20 drawn to a fuel cell apparatus classified in Class 429, Subclass 12.

While this election is without traverse, it is nevertheless without prejudice to the right of the applicant to file a divisional application for the non-elected claims.

Prosecution on the merits is now respectfully requested.

Respectfully submitted,

Michael J. Striker
